

STATE OF MAINE
PUBLIC UTILITIES COMMISSION

Docket No. 2001-247

April 19, 2001

Boothbay Harbor Water System
Application for Approval of Issue
Of Securities (§ 902)(\$1,288,750)

ORDER

WELCH, Chairman; NUGENT and DIAMOND, Commissioners

On April 6, 2001 the Boothbay Harbor Water System (Boothbay) filed with the Commission its application for authority to issue its bond in a sum not to exceed \$1,288,750 through the United States of America, Rural Development (RD), at an annual rate not to exceed 4.375 percent. The debt will be paid over a term not to exceed 28 years.

Boothbay requires these funds to retire a \$1,288,750 Bond Anticipation Note issued to the First National Bank of Damariscotta that matures April 30, 2001. Boothbay used the proceeds of the Bond Anticipation Note to fund the design, construction and equipping of a water system upgrade which included a 16" main upgrade on Union Street from Townsend Avenue to the Mt. Pisgah Standpipe; a 12" main upgrade on Western Avenue from Todd Avenue to Lakeside Drive; and an 8" main upgrade on Hutchinson Drive and Patten Lane.

Pursuant to an Amended Delegation Order dated January 9, 1996 in Docket No. 93-169, the Commission delegated to the Director of Finance its authority under 35-A M.R.S.A., Chapter 9, and 11, to approve water utility financing applications, including those that involve mortgaging utility property, for Maine Municipal Bond Bank, Rural Economic & Community Development Administration and their successors. This delegation in no way limits the Commission's authority to review the decision of the Director of Finance pursuant thereto or to directly consider requests for variations. The Director of Finance's approval shall be in the form of an Order, copies of which shall be maintained in the files of the office of the Administrative Director.

Having reviewed the application of the District, together with data filed in support of it, it is the opinion of the Commission that the proceeds of the issuance of the bond are required in good faith for the purposes enumerated in 35-A M.R.S.A. § 901. In approving this securities issue, consistent with normal practice and pursuant to §902 (4), the Commission does not imply approval of the District's capital needs or capitalization ratio for ratemaking purposes, nor does this Order limit or restrict the powers of the Commission in determining or fixing any rate.

Accordingly, pursuant to the Amended Delegation Order dated January 9, 1996, in Docket No. 93-169, I

O R D E R

1. That Boothbay is hereby authorized to issue its bond in a sum not to exceed \$1,288,750 to be used solely for the purposes described in this Order, and at a rate not to exceed 4.375 percent per year through the United States of America, Rural Development for a term not to exceed 28 years.
2. That the District report to the Commission, in writing its doings pursuant to this Order within sixty (60) days of the date of the issue of the proposed bond, or July 31, 2001, whichever may come first.
3. That a copy of this Order be mailed to interested parties and this Docket be closed.

Dated at Augusta, Maine, this 19th day of April, 2001.

**BY ORDER OF THE ACTING DIRECTOR
OF FINANCE**

Acting Director of Finance
